- A. **All personnel must sign in at Fairgrounds office to register prior to proceeding to track area for practice between 9:00AM and 4:00PM Monday - Friday.**
- B. All personnel must sign insurance waiver and receive pit pass (wrist band) prior to practice.
- C. Only current NKA race approved safety apparel will be used while driving race karts. Snell 2010 helmet, full finger gloves, neck collar, leather or NKA approved shoes that cover ankle, jacket that is leather, Cordura, or NKA approved fabric. OMRRA approved safety apparel must be used when riding motorcycles.
- D. Ensure complete inspection that karts and motorcycles are safe for use. Items to be inspected include but not limited to safety wire and or cotter pins, in all brake and steering bolts. Refer to NW ICP Cup rule book for safety requirements for race karts. Pocket Bikes and YSR motorcycles should refer to OMRRA safety standards.
- E. Prior to track use, the Track User will scan and walk the track to look for obvious safety hazards. It is the Track Users responsibility to make sure the track is safe.
- F. Track to be run in a counterclockwise direction only for all practices.
- G. If speeds between karts or motorcycles are more than 15 miles per hour, practice should be separated for slower vehicles, as in the case of newer drivers or junior drivers.
- H. Ensure that spectators are not on or adjacent to track surface unless behind barriers or pre-approved by PKA, such as driver training sessions.
- I. Do not allow spillages of fuels, oils, or garbage onto premises. It is the users responsibility to make sure the pit area is clean after use. Do not dispose of oils, fuel, or tires on the track premises.
- J. It is the responsibility of any pass holders to make sure that all the perimeter gates are to be locked and secure before and after each track use. This includes any gates that are open when you arrive at the track.
- K. The track has limited practice dates available, please inquire at [www.portlandkarting.com](http://www.portlandkarting.com) or **call a PKA Official** for scheduled practice dates before arriving at the MAC Track for practice. If there is any question regarding a date, contact the current Sprint Vice President to ensure that a date is or is not available.
- L. Only call the Fairgrounds if you're unsure whether they are in the office. **You must not call the fairgrounds office for track availability as it's not their responsibility.**
- M. Any person found in violation of this agreement may face sanctions by PKA, civil, or criminal charges.

There is no medical emergency personal available for track practices. It is the responsibility of the user to both seek medical attention if necessary as well as inform Sprint Vice President of any injuries or accidents occurring during track use. The track user understands that racing is a dangerous sport and assumes all personal risk of injury and/or death with each use of the track for practice purposes. The above rules are in place to help ensure safe use of the track, but there is no guarantee, implied or otherwise, of safety.

- No kart engines will be running before 9:00 A.M. or after Dusk. This is a City of McMinnville ordinance and it will be enforced.
- Everyone within the fenced pit area must have an insurance liability waiver signed and have a valid pit pass before entering the track facilities.
- Consumption of alcoholic beverages is prohibited in the Yamhill County Fairgrounds.
- No track use participants or their guests shall enter any of the Yamhill County Fairground Buildings without express permission from a Yamhill County Fairground representative. The exception to this would be use of the running water restrooms.
- No parking or driving on the grass in the Fairground area outside the track perimeter fence. This does not include the grass areas in the karting facility pit area.
- At no time will motorcycle, scooter, skateboard, or bicycle riding be allowed within the Yamhill County Fairground complex or the PKA pit areas.
- No vehicles associated with the karting event should be parked in the fairground area. All extra vehicles will be parked in the gravel parking area behind the scoring tower.
